

THE PURPOSE OF STUDENT ACCOUNT FUNDRAISERS

is to allow individual students & their families to raise money through product sale type fundraising.

The profits earned are kept in personal student accounts managed by the Boosters.

These accounts can be used to offset the expenses of trips and activity fees.

(Please see Article IX of our [Bylaws](#) for more information)

All of the fundraisers below - with the exception of the Coupon Book
are organized by the Music Boosters.
